Capabilities Statement

Every client relationship is important to us. We value the opportunity and trust you are placing in us to deliver outstanding construction services. Our commitment is to make sure you are completely satisfied with your experience throughout each phase of the construction process. Based on what we strive to achieve and clients tell us they experience, here is what you can expect from our team: Honesty & Integrity, Quality Professionalism & Competency, Safety, Accountability & Customer Service

CM Clark Construction provides comprehensive general contracting, construction management, and design build services specializing in the renovation or new construction of corporate and office projects, independent/assisted living centers, nursing homes, hotels, schools, and government buildings. We have a proven track record for consistently meeting budgets, meeting schedules and building to the level of quality expected by our clients.

Core Competencies
